WHAT YOUR BOILER COULD COST YOU!

Oil ServiceCare covers your entire Central Heating system and radiators

One Annual Service plus all labour charges incurred during normal working hours* involving the rectification of faults on your entire central heating system.

Replacement parts used in the rectification of faults on both the appliance and associated controls are inclusive of the charge.

All service calls made outside normal working hours*, to attend to the appliance or controls (covered by this contract), are subject to our normal call out charge less a discount of 20%.

*Monday - Friday 8am to 4pm

OIL SERVICECARE PACKAGE

ONLY
£19.95
PER MONTH

PLUS labour costs to fit the parts!

Complete peace of mind

It's bad enough to be left cold when you suffer a boiler failure, but even worse could be the unexpected repair bills! That's why an oil Servicecare Plan from Jersey Gas really does make so much sense.

For a small monthly fee, you'll be safe in the knowledge that all major parts and labour costs are completely covered. Just make the call and we'll do the rest.
